

ABOUT US

Goodrich Children's Center offers parents a safe, nurturing environment that fosters learning through discovery for children 3 years old to 5th grade.

At the core of our center, you will find dedicated and highly trained staff who are deeply committed to providing your child the skills they need to reach their individual potential.

We feel that children develop best in an enriching, creative learning environment through balance of teacher and self-directed play.

PRESCHOOL REQUIREMENTS

The center offers preschool classes for children who will be 3 or 4 years old by September 1st.

Preschool children must be bathroom independent prior to attending. Care to children who require special bathroom needs must be arranged through the health plan process and be medically documented.

Parents of children 3 to 5 years are required to provide an up to date health appraisal & immunization record prior to attending any program.

Parents/guardians requesting an exemption on the basis of religious belief or other objections, should contact their local Health Department to obtain a certified State of Michigan Waiver.
